The Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share their experience, strength and hope in order to solve their common problems. We believe alcoholism is a family illness and that changed attitudes can aid recovery. Al-Anon is not allied with any sect, denomination, political entity, organization or institution, does not engage in any controversy, neither endorses nor opposes any cause. There are no dues for membership. Al-Anon is self-supporting through its own voluntary contributions.

The Serenity Prayer

God, grant me the serenity to accept the things I cannot change, the courage to change the things I can, and the wisdom to know the difference.
